SKILLS

Languages: C++, JavaScript, C, PHP, Python
Frameworks: HTML and CSS, Bootstrap, NodeJS, React
Tools/Platforms: MySQL, MongoDB,
Operating System: macOS, Windows, Linux
Soft Skills: Problem-Solving Skills, Team Player, Project Management,

PROJECTS

Food Delivery App - UI/UX Case Study 2023

Developed a complete UI/UX case study for a modern food delivery app. Conducted user research, identified pain points, and designed an intuitive ordering experience. Created interactive prototypes and conducted usability testing to improve checkout flow.

Tools Used: Figma, Miro
Skills: User Research, Persona Creation, A/B Testing, Design Systems

Library Management system 2024

Developed a Library Management System to manage book records, issue/return operations, student details, and fine calculation. Designed the user interface using **HTML**, and implemented backend logic using **Java and VB.NET** with database connectivity. The system helps in efficient book tracking, record management, and report generation.

Tools & Technologies: HTML, Java, VB.NET, Database (MySQL/SQL Server)
Skills Gained: Database Management, CRUD Operations, Backend Development, Problem Solving, SDLC Understanding.

CERTIFICATE

Smart India Hackathon

2025

Internship

Software Development Intern – Yash Infosoft March 2024 – May 2024

Worked on a Project Tracking System to manage project progress, tasks, and deadlines. Developed modules using HTML, Java, and VB.NET, performed testing and debugging, and gained hands-on experience in real-time software development and database management

Implemented database connectivity for storing and retrieving project data. Performed unit testing, debugging, and error handling to improve system performance.Assisted in requirement analysis and converting client needs into functional featu res. Collaborated with team members following basic **SDLC (Software Development Life Cycle)** practices.

Tools: HTML,javscript,java,MySQL,VB.NET

Education

Lovely professional University **Punjab, india**
Masters Of Computer Application ***August 2025-2027***

Bhupendra Narayan Mandal University **Madhepura, bihar**
Bachelor of Computer Application; CGPA: 8.3 ***August 2021-2024***

Ramesh Jha Mahila Collage **Saharsa, Bihar**
Intermediate: percentage; 55% ***April 2019- 2021***

Tripur High School **Jahmara, Saharsa**
Matriculation: percentage; 70% ***March 2019***
